Figma, Sketch, InVision, Principle, After Effects, Zeplin, Marvel App, Illustrator, Adobe XD, HTML/CSS

Personal Projects

Senior Design Project

Designing and prototyping an app named Dietpin. It's for the people who has special dietary requirements.

What if we switch the movie fonts?

As an admirer of typography and its influences on people I wondered how would it look like if we switch the movie fonts. So I created this project for fun.

Experience

Freelance — Product Designer

Sept 2017 - Present

Conducted two app design projects individually. Worked with a lot of small agencies as a freelancer/contractor.

HomeWizard — Product Design Intern

June 2018 - Sept 2018

Created the design system and a special icon set. Designed the iWatch version of the HomeWizard Link app. Worked on a set of walkthrough illustrations and installation guide illustrations for the user manual.

Atölye15 — UI/UX Design Intern

Apr 2017 - Sept 2017

Worked in collaboration with a team of developers and designers. Played role in many startups as an illustrator or UI/UX designer.

Kariyer.net — UX Design Intern

Aug 2016 - Sept 2016

Learned a lot about user experience as a researcher. Worked on creating personas and benchmarking studies. Being introduced with the latest apps such as Hotjar, Invision and UXPin.

Volunteer Experience

Atina.io — UX Consultant

July 2017 - Nov 2017

Giving feedbacks and running usability tests, in order to identify potential problems before the product goes into production.
